

YOU'RE INVITED!

AHVMA

2023 ANNUAL CONFERENCE & EXHIBITION

SAN DIEGO, CA – OCTOBER 7-10, 2023

AMERICAN HOLISTIC VETERINARY MEDICAL ASSOCIATION

Explore Neurodiversity and Dare to Think Differently in San Diego, CA!

I would like to invite you to join us at the 2023 AHVMA Annual Conference & Exposition in our most popular

conference venue in San Diego, California! This will be AHVMA's 39th Conference and AHVMA's 41st year as an incorporated veterinary association!

Our educational sessions and events will take place on-site at the newly renovated Town and Country Resort on October 7-10, 2023. With the renovation, the resort introduced new, modern guest rooms, three new dining venues, a new pool deck with a zero-entry family pool, a hot tub, and a children's pool. The resort also features a brand-new, three-acre Riverfront Park and a state-of-the-art fitness center. The beautiful outdoor gathering spaces are what truly make this venue shine. The Town and Country is located a short 5 miles from San Diego International Airport. In addition to onsite dining, you will find numerous shopping, entertainment, and restaurant options all within walking distance, and minutes away from beautiful beaches, hiking, and biking! Please book through the [AHVMA group block](#) for the best rates.

The 2023 AHVMA conference offers a vast selection of lectures and continuing education opportunities. We are happy to continue to partner with our allied groups, VBMA and AVH, to present educational tracks on their respective modalities. The Conference Program Committee has put together an engaging program this year representing

a wide variety of modalities, and hands-on labs.

We are looking forward to seeing you all at our keynote presentation, NeuroDiversity In a NeuroTypical World, by Laurie McCauley on Sunday afternoon, and then having a blast at our Annual Banquet on Sunday evening.

We are very excited to share that the Council of Elders (COE) will be hosting a forum open for all attendees on Saturday evening led by Barrie Sands. The Forum is one of the many unique opportunities found at the AHVMA Conference. Please consider joining the COE for this experience. The COE will be hosting an annual restorative retreat open to all members. The Retreat is a great opportunity for practitioners to reconnect and reinvigorate ourselves. This year's Retreat will be held after the AHVMA Conference, on Tuesday, October 10th. Pre-registration is required for this educational and rejuvenating retreat on the Spirit of Healing, preventing burnout, and self-compassion.

At the time of this letter, approximately half of our exhibit space has already sold out. We are so fortunate to have so many supportive sponsors and exhibitors for this year's conference. As many of you know, the past 3 years have been difficult years for many of us. However, thanks to the continued generosity and early registration of our exhibitors, members, and speakers we are confident that this year's conference will be a great success and a fantastic experience.

Looking forward to seeing all of you in San Diego!

CONTINUING EDUCATION INFORMATION

This program, "2023 AHVMA Annual Conference" will be submitted to (but has not yet been approved by) AAVSB RACE to offer approximately 90 CE Credits. With 21 credits being available to any one veterinarian or veterinary technician.

Participants are responsible for ascertaining each board's CE requirements. RACE does not "accredit", "endorse" or "certify" any program or person, nor does RACE approval validate the content of the program.

Over the past seven years (2016-2023) AHVMA has received RACE approval for over 91 hours. Please visit www.ahvma.org for program and continuing education updates.

AVMA HOUSE OF DELEGATES

Thanks to the dedication of our members, AHVMA remains a proud member of the AVMA House of Delegates. As an allied organization of the AVMA, many states grant blanket approval for AHVMA-provided continuing education (CE). Please refer to your state's Veterinary Practice Act Rules & Regulations for specific requirements, limits and exclusions. Only registered licensed veterinarians and veterinary technicians will receive CE credit and a certificate of attendance.

IMPORTANT REMINDER

If you are an AHVMA Member who is also an AVMA member, it is imperative that your AHVMA member information and AVMA member information match. If you have had a change of name, address of any other information please ensure both associations are up to date. We rely on your accurate information to maintain our position in the AVMA House of Delegates.

The AHVMA Office maintains an online referral directory for Member Veterinarians, which lists all contact information and modalities practiced. It is available to the public online at www.ahvma.org. If you are a Licensed Practicing Veterinarian who currently utilizes at least one holistic modality, are accepting new clients, and would like to be included in our referral directory, we request that you complete the form below. The accuracy of the information provided is your responsibility. If any of your information changes, you must submit a new form or update your profile online.

Dues must be current by April 1st each year to remain on the directory, though we allow a 30-day grace period before your listing is removed.

Please type or print CLEARLY. Fill in all information you wanted listed in the directory. Remember, this is referral information, so the contact information you give should be related to your business (in other words, don't list your home address or phone number unless you want it in the directory.). Check all of the "Practice Type" and "Modalities Used" categories that apply to you.

Continuing Education Updates

This program "2023 AHVMA Annual Conference" will be submitted for approval by AAVSB RACE. AHVMA will also be applying for continuing education approval from individual state boards, as well as our many allied organizations.

Over the past seven years, (2016 - 2022) AHVMA has received RACE approval for approximately 90% of our Annual Conference lecture and lab content. Please visit www.ahvma.org for program and continuing education updates.

AHVMA is a member of the AVMA House of Delegates. Many states grant blanket approval for AVMA affiliate organizations.

Allied Events

AHVMA's allied organizations' meetings and events onsite at the Town and Country Resort
If you wish to have your group's co-located event considered for listing please contact us at office@ahvma.org

AVH Annual Conference - Friday, October 6th- Saturday, October 7th- (registration required)
